

Honey & Spice

Food Store

Honey & Spice xmas gift boxes and hampers are made up from our favourite products, like Greek olive oil, tahini from Lebanon, the best spices and herbs we can source, as well lots of things from our kitchens: jams we make in small batches from the best fruit in season, cookies and biscuits with pistachios and marzipan, freshly roasted and blended spice mixes, and much more.

We would like nothing more than to help you get the perfect gift for the food lover in your life, whether they are expert cooks, budding bakers or professional nibblers. Please get in touch with us, we can make something that is bound to make them happy, or you can just tick from the list below, we will pack everything up nicely for you.

We've made a few suggestions for gift boxes that we think work best:

The Middle Eastern cupboard: with spice-roasted nuts, flower water, date and pomegranate molasses, lots of grains and pulses, this selection will guarantee a winter full of delicious middle eastern flavours coming out of the kitchen.

A box for a baker: includes a signed copy of our baking book and everything you need to bake from it – dried rose petals, ground pistachios and almonds, flower water, sweet spices and more.

A box of treats: full of nice things we make and bake in our kitchen – chocolate and pistachio cookies, almonds roasted in thyme and sumac, cashews and pistachios in baharat spice, our ashura cereal (clusters of puffed wheat with sweet spice, seeds and nuts), home-made jam as well as a copy of our baking book, with the recipes to make it all at home.
