## Canapé Party Menu – Winter

We would love to help you host your party. Just let us know your wants, needs and budget. Our canapés can be sent ready to serve, or we can provide a chef to prepare and assemble the food on site. If you require servers for the night, we can help with this too.

We advise 4-6 canapés per person for a light cocktail gathering and 8-10 per person when you are hosting an entire evening, but obviously it is up to you.

Please give at least 48 hours' notice when placing an order. We may have to make slight adjustments for last-minute orders but, if you give us enough time, almost everything is possible!

Delivery is charged at cost, based on a taxi quote. If you prefer, you can pop in and pick up from our restaurant on Warren St. If you have any allergy concerns, dietary requirements or if there is anything else you'd like, please let us know and we will do our best to accommodate your needs.

We can also provide wine, cocktails or our own made ice teas and lemonades, if you would like to arrange a bar service.
