### **Honey & Co: The Food Talks**

Our food talks are held at our deli Honey & Spice in front of a small group of guests. We invite the people we admire from the food world to come over – cooks, waiters, makers, writers, drinkers, thinkers – we have something to eat, a glass of wine and they tell us their story of making a life in food. We record the talks as a podcast for anyone who can't make it. Ask us for details or find out more at
